

Standards for the 21st Century Learner Skills, Dispositions, Responsibilities, and Self-Assessment

Directions: Map out the skills, dispositions, responsibilities, and self-assessment that you currently teach. (Some of these are taught informally and some are part of the current information literacy curriculum.)

Example: Standard 4 - pursue personal and aesthetic growth

- Skills 4.1.1 Read for pleasure - locating a book
- Dispositions 4.3.4 Exhibiting a motivation to read
- Responsibilities Bringing back books that are borrowed
- Self-Assessment 4.4.6 Five finger test to decide if a book is on level
